**STAY WARM AND CONGRATULATIONS ON FINISHING THE 3rd WEEK OF SCHOOL!**

We hope everyone has stayed warm these past few weeks and enjoyed the snow days! If you’re interested in working abroad over the summer, there are many opportunities available at the upcoming spring career fairs. This spring, there are several career fairs and company specific events held at their respective offices, which are a great place to start even if you are not sure exactly what you are looking for.

If you have any questions or suggestions for future events, please reach out to the Corporate Relations Department at wbl-cr@mit.edu.

Thanks again,
The Corporate Relations Department

**FEBRUARY**

**Feb 23: Effective Economic Policies for Challenging Times Panel, 7pm in W20-208.** The OECD provides a forum in which governments work together to share experiences and seek solutions to common problems. Today, 34 OECD countries worldwide regularly turn to one another to identify problems, discuss and analyze them, and promote policies to solve them.

**Feb 26: Women in Science: A Panel Discussion, 5pm in 66-110.** Today, a new generation of female scientists is making clear just how different the future will be. Harvard’s Pardis Sabeti, a computational geneticist who investigates the evolution of disease, and MIT’s Jessika Trancik, whose research focuses on the environmental impacts of energy technology, will discuss their backgrounds, career paths, and what they see as challenges and opportunities moving forward.

**Feb 26: MIT Energy Expo, 7pm in W20 Lobdell.** Interested in a career in energy? Want to network with company representatives and MIT Alumni from some of the most exciting energy companies?
