DON’T FORGET TO CONTINUE NETWORKING!

Although the recruiting season may be ending soon, don’t forget to continue networking and attending company events. Attending panels and workshops are also a great way to explore a new industry! If you’re interested in tech or consulting, consider attending the GS Tech Expo at 7-8pm in 32-155 or Oliver Wyman’s Consultant Project Spotlight at 6-7pm in 4-153.

If you are a freshmen or sophomore, there are several upcoming events to help you prepare for next year’s recruiting cycle. If you’re interested in learning how to craft a compelling resume or improve your personal brand, consider attending Bagels and Branding: The Art of Self Promotion and Resume Writing Workshop with Goldman Sachs, 9-10am in 4-159 and Demystifying Goldman Sachs: Exploring our Divisions and the Recruitment Process, 5-6pm in W20-307.

If you have any questions or suggestions for future events, please reach out to the Corporate Relations Department at wbl-cr@mit.edu.

Thanks again,
The Corporate Relations Department

APRIL

April 6: Accenture Women’s Networking Forum Live Webcast Registration Deadline. Accenture, a global management consulting, technology services and outsourcing company believes that attracting, retaining and promoting women is critical to the success of our company. That is why we are hosting the Accenture Women’s Networking Forum, a live webcast for undergraduate students from across the U.S. and Canada. Join us on April 10 from 1-2:30pm to hear from Accenture women at varying stages in their careers. Register online at accenture.com/womensnetworking.

April 7: Demystifying Goldman Sachs: Exploring our Divisions and the Recruitment Process, 5-6:00pm in W20-307. Understand our timeline, learn why GS is one of the top 5 philanthropic donors in the world and myth-bust Goldman Sachs with 2 truths and a lie. Then, learn how we make an impact from MIT alumni in an Analyst Insights Panel. Please confirm your attendance here: https://goldmansachs.tal.net/vx/brand-2/candidate/so/pm/1/pl/3/opp/11831-Firmwide-Summer-Analyst-Exploring-our-Divisions-Analyst-Insight-Panel-MIT/en-GB. (For freshmen and sophomores only, all majors).
April 7: Goldman Sachs Tech Expo, 7-8:00pm in 32-155. A key part of the GS Engineering intern experience is the summer Tech Expo in which our interns have a day to see and interact with the most exciting innovations from every technology team in the firm. In this mini Tech Expo, we will bring a taste of that experience to students interested in learning what GS Engineering is all about. Engineers will present and demo technologies that span the fields of mobile applications, UX, Big Data, rule-based systems and high performance computing. Casual attire is encouraged and pizza will be provided.

April 9: Oliver Wyman Consultant Project Spotlight, 6-7:00pm in 4-153. Meet Oliver Wyman Consultants and learn about our work! See examples of a growth strategy for a healthcare analytics firm, a Salesforce implementation, and exciting work with the World Economic Forum! Food will be provided (Chipotle burritos!)

April 10: Booz Allen Hamilton Internship Deadline. Booz Allen, a Fortune 500 company, has been at the forefront of strategy and technology consulting for more than 100 years. Today, Booz Allen is a leading provider of management consulting, technology, and engineering services to the US government in defense intelligence, and civil markets, and to major corporations and not-for-profit organizations. They have openings in their Analytics and Quantitative, Business/Liberal Arts, and Technical Internships. Please apply at: http://www.boozallen.com/careers.

April 10: BCG Bridge to Consulting Workshop and Externship Program. The program consists of an intensive two-day workshop that is open to students who will be graduating as part of the Class of 2016-2018. The externship program is open to students graduating in the Class of 2017. Apply at http://apply.bcg.com/B2Cprograms2015.

April 13: BNY Technical Summer Associate Program. Apply at jobs.bnymellon.com.

April 16: McKinsey & Company – Come Learn About Our Work In Energy Event, 7:30-9:30pm at Le Meridien 20 Sidney St. Join us for this interactive session on the evolving energy market and how you can plug-in at McKinsey! Potential discussion topics include “How renewable energy can break the energy cost curve”, “How emerging technology is changing the rules of energy consumption”, “What's next for nuclear generation”. The event will conclude with informal “meet the experts” Q&A. The event as a whole will be a great opportunity to get to know current McKinsey consultants and also learn more generally about McKinsey's work. RSVPs are not required. This event is open to all classes, and refreshments will be provided.

April 30: Tips To Thrive In Your Internship, 3-4:00pm in 3-333. Learn how to navigate the social and political environment at your job or internship through this high energy presentation with interactive scenarios. Please register via CareerBridge.
