SAY HELLO TO THE PREFROSH!

CPW will be held this week, so make sure to represent WBL and MIT!

If you are interested in gaining market and industry knowledge, please check out Wharton Finance Club’s Newsletter: http://www.whartonfinanceclub.com/2015/03/march-2015nwufc-newsletter/. They analyze interesting topics, ranging from Actavis’s recent acquisition to the European Central Bank’s Quantitative Easing plan.

If you’re a senior or junior interested in/apply to education organizations, Bain is interested in holding hour-long focus groups to gather students’ thoughts on effective recruiting process. Please email Tawfiq Dahdah at Tawfig.dahdah@bain.com for more information. The sessions will most likely be held April 13th or 14th over pizza.

If you are a sophomore or freshman interested in Global Banking & Markets or Bank of America, please consider applying to the following programs:

**April 19: Bank of America Merrill Lynch Emerging Women’s Program Deadline.** This is a one and a half day insight for freshman and sophomore women interested in our Global Banking & Markets business. The program will take place May 19 – May 20 at Bank of America Tower, New York. Please complete your application at http://go.bofa.com/cuqmu.

**April 19: Bank of America Merrill Lynch STEM Leadership Academy Deadline.** This is a one and a half day insight for freshman and sophomore majors in STEM. This enrichment experience focused on developing technical and leadership skills. The program will take place May 19 – May 20 at Bank of America Tower, New York. Please complete your application at http://go.bofa.com/6nps8.

If you have any questions or suggestions for future events, please reach out to the Corporate Relations Department at wbl-cr@mit.edu.

Thanks again,
The Corporate Relations Department

APRIL

**April 13: BNY Technical Summer Associate Program.** Apply at jobs.bnymellon.com.

**April 13: Precision Advisors Information Session, 6:00-7:30pm at 4-149.** Precision Advisors combines unrivaled real-world market experience with thought leadership and industry expertise to provide insight, strategy, and advice to innovative life sciences companies. Headquartered in Cambridge, Massachusetts, Precision Advisors’ unrivaled team of expert advisors encompass all areas of the commercialization spectrum including strategy consulting, managed markets, health economics, clinical research, and analytics.

**April 14: Technology In Action – Reaching A Drilling Target ~100 ft. Away With Geo-Steering and Well Placement with Nadim Mikati From Schlumberger, 5:00-6:30pm at 3-333.** In this talk Nadim will give an overview about Schlumberger and his experience as a Field Engineer in Saudi Arabia; specifically presenting a breakthrough in Real Time Geo-Steering/Well Placement technology which he was the first Engineer to Field Test in the Middle East and Asia region. Networking to follow after the talk. Food and refreshments will be served.
April 16: McKinsey & Company – Come Learn About Our Work In Energy Event, 7:30-9:30pm at Le Meridien 20 Sidney St. Join us for this interactive session on the evolving energy market and how you can plug-in at McKinsey! Potential discussion topics include “How renewable energy can break the energy cost curve”, “How emerging technology is changing the rules of energy consumption”, “What’s next for nuclear generation”. The event will conclude with informal "meet the experts" Q&A. The event as a whole will be a great opportunity to get to know current McKinsey consultants and also learn more generally about McKinsey's work. RSVPs are not required. This oven is open to all classes, and refreshments will be provided.
