Thank you for attending our WBL Career Week events! We really enjoyed getting to know everyone and we hope to see everyone apply to be a WBL member (don’t forget to drop your resume!). A huge thank you to our CR department and WBL members who volunteered at the events. You’ve really helped make the events a success!

In preparation for this Friday’s Career Fair, there are many company info sessions and career prep workshops taking place. The details of events related to business and general preparation have been included below.

### WBL Career Week Schedule:

**Sept 21:** Resume Review with WBL. This is a great opportunity to have your resume reviewed by groups of experienced upperclassmen before the Career Fair to better your chanced during the internship search!

**Sept 22:** New WBL Member Resume Drop, TBD.

If you have any questions or suggestions for future events, please reach out to the Corporate Relations Department at wbl-cr@mit.edu.

Thanks again,
The Corporate Relations Department

### Sept

**Sept 20:** Deutsche Bank Graduate Program in Asia Deadline. Asia is home to some of the world’s fastest growing economics. The insights you’ll gain by working in a region that is defined by multiple national economies, not just one, are outstanding. And with the strength of specialist training and support you’ll receive as part of Deutsche Bank’s Graduate Program. To apply, visit db.com/careers/asiaopps.

**Sept 21:** Analysis Group Analyst Application Deadline. Analysis Group provides economic, financial and strategic counsel to corporations, law firms and government agencies. We with work top professors from leading institutions to create a bridge between current academic thinking and real business issues. To apply, please submit your resume, cover letter (incl. geographic preference), and unofficial transcripts through CareerBridge and to the Analysis Group website via the link provided by the Career Services.

**Sept 21:** Walt Disney Lunch & Presentation with MIT Alum Gene Lee from, 12:00-1:00pm in E39-040. Dr. Lee has been writing software and doing research since 2004. His research interests include character rigging, artdirected deformations, and cloud computing. Gene’s film credits include the Oscar winning features “Frozen” and “Bit Hero 6.”

**Sept 21:** Tech Talk & Info Session, 5pm-6pm in 32-144. If you are interested in a career in engineering or business consulting, please join APT next week on campus.
