**.406 Ventures Student Fellows Program.** .406 Ventures (www.406ventures.com) is accepting applications for its Student Fellows Program Class VII. The program has been running for the past 7 years, and it provides a unique opportunity for
an undergraduate students from top schools to build their entrepreneurship skills in conjunction with a top-tier VC. It is
a 2-year program designed as a platform to help top student entrepreneurs launch their companies and leverage the
.406 network and resources to help other entrepreneurs on campus. The Fellowship is designed to help jumpstart the
student’s company building activities through: Hands-on education, enhanced network (both current/alumni Fellows and
the network of the .406 partnership), and deep understanding of fundraising process. We work with about 40
schools to find the top entrepreneurial students and work to create a strong network amongst the classes and within the
alumni. We bring everyone together at our cost, three times a year for a day of tactical entrepreneurial education and
speakers from top industry practitioners. We also get together as a group virtually every two weeks during the program.
Please email gbrooks@406ventures.com if you are interested!
